Lynn McCully is a Southern Gospel Recording Artist. She lives in Jones, Michigan and travels throughout the Midwest ministering in song. She originally desired to minister to smaller churches without music ministries. **That was not God's Plan**. Her ministry has grown much larger. Now Lynn does many concerts a year and she travels around the country singing with the top Southern Gospel Groups in the nation. She also hosted her own television show (Gospel On The Road) and now she can be seen at any size Church, Fair, Festival, Revival or Banquet in any State, on any given day.

When asked how she got her start in Southern Gospel Music, Lynn replied " I fell in love with Southern Gospel while watching a Bill and Gloria Gaither Homecoming video". This video series reunites several of the old famous Gospel Groups, including The Speer Family, The Happy Goodman Family, The Statesmen Quartet, The Imperials, The Blackwood Brothers and many others. These videos brought back memories to Lynn of her as a little girl visiting her grandmother in Corning Arkansas. Lynn would listen to her grandma sing Gospel Songs all day long. These were fun times for Lynn and the words of the music left an impression that would last a lifetime.

Lynn has been interested in music ever since those times in Arkansas, but it wasn't until she accepted Jesus Christ as her Savior that she found her true joy in music. Lynn sang in her Church Choir and also sang lead in a trio before discovering her true calling in singing Southern Gospel Music. The Lord has truly blessed her with a wonderful ministry. Lynn sings a variety of songs – from powerful beautiful ballads that touch the heart, to toe tappers that have everyone clapping along.

Lynn is also the winner of ten prestigious Michigan Gospel Music Association awards. She won 1996 Favorite Female Vocalist, Favorite Alto and soloist of the year. Lynn also won 1997 Favorite Female Vocalist. She won 1998 Favorite Female Vocalist, Favorite Alto and then was presented with the President's Award for her contribution to Gospel Music on a national level. ( Referring to her weekly 30 minute T.V. Show ) ( Gospel On The Road ). In 1999 Lynn won the Favorite Alto Award and she won Favorite Alto again in 2000.

It is Lynn's goal to sing His Praises and lead people to Jesus Christ through her music. Through the Lord's Grace Lynn will always "Sing To His Glory".

In January of 2000 Lynn was diagnosed with advanced cervical cancer. Because they caught it at such an advanced stage. She was not expected to do very well in her recovery. Lynn did recover and was cancer free until the spring of 2002 when she was rediagnosed and given a short time to live. Once again prayers were answered and she recovered. In 2007 Lynn's kidneys failed and she has been on dialysis ever since. She is now looking for a donor and waiting for a kidney transplant. Also in the fall of 2007 while starting on dialysis, Lynn formed a Trio that sounds like a quartet and recorded her fifth recording project. When asked how she is able to do all the things she does. Lynn answers I can't. Everything I do, I do in God's strength. He has an unlimited supply and his grace and mercy is abundant

Lynn is now booking concerts for the remainder of this year and all of next year. She would love to come to your Church, Fair, Festival, Banquet, Party or Event and minister in song and give her amazing testimony. Lynn is not a preacher or a teacher, but she has a powerful God given ability to communicate. Hear the Gospel of Jesus Christ proclaimed in song Like you've never heard it proclaimed before. Hear Lynn give her powerful life changing testimony and listen to her tell funny stories as only Lynn McCully can tell them. When you have a Lynn McCully Concert you will laugh, you will cry, you will be lifted up and your life will be changed forever. Please make this a matter of prayer and give us a call.
